ACTIVITY 1: A DAY ON THE INTERNATIONAL SPACE STATION

Directions:

Explore the <u>International Space Station</u> virtually and write in the names of the spots you believe are the most suited for each of these activities. If you're not sure by looking around, read the descriptions of the different modules for more information.

Area	Name of the Module or Node
Where would you go to get the best view?	
Where would you want to take a nap?	
Where would you go to eat a snack?	
Where could you use the restroom?	
Where could you conduct experiments?	
Where could you get some exercise?	
Where could you find any misplaced cargo?	
Where could you go on a space walk?	
Where would you go to read a book?	

Where do you think you would spend the most time on the International Space Station? Why?

ACTIVITY 2: WHAT WOULD YOU BRING?

<u>Directions:</u> Think about one object you would want to bring to space with you that would not be related to your mission. Draw it in the space provided and answer the questions below.

What would you bring to space? Draw it here.	

1. Why would you bring this object to space?

2. What would you do with that object once you returned to Earth?
