

## ACTIVITY 1: A DAY ON THE INTERNATIONAL SPACE STATION

Directions:

Explore the [International Space Station](#) virtually and write in the names of the spots you believe are the most suited for each of these activities. If you're not sure by looking around, read the descriptions of the different modules for more information.

Area	Name of the Module or Node
Where would you go to get the best view?	
Where would you want to take a nap?	
Where would you go to eat a snack?	
Where could you use the restroom?	
Where could you conduct experiments?	
Where could you get some exercise?	
Where could you find any misplaced cargo?	
Where could you go on a space walk?	
Where would you go to read a book?	

Where do you think you would spend the most time on the International Space Station? Why?

## ACTIVITY 2: LET'S LEARN ABOUT ACTIVE ASTRONAUTS

Directions: Visit [NASA's website](#) and fill out the graphic organizer below as you learn about active NASA astronauts. Select **three** NASA astronauts out of the list to learn more about.

Astronaut Name	When did they become an astronaut?	What they studied in school	One fun fact

Did the astronauts you chose to learn more about have anything in common? Did anything surprise you?
