

## Giving Through a Donor Advised Fund (DAF)

Intrepid Museum accepts a variety of donation methods including Donor Advised Funds.

### **How do I donate from my DAF?**

Contact your DAF sponsor (e.g., Fidelity Charitable, Schwab Charitable, or your community foundation) and recommend a grant to:

Intrepid Museum  
EIN / Tax ID: 13-2971755  
Pier 86, W 46th Street & 12th Avenue  
New York, NY 10036

### **Can I direct my DAF gift to a specific program or fund?**

Yes! We welcome gifts directed toward our education programs, veteran initiatives, exhibitions, collection preservation, and more! Please contact Eddie Maffia at [emaffia@intrepidmuseum.org](mailto:emaffia@intrepidmuseum.org) or 646-381-5279 to discuss where you would like to direct your gift.

### **Can I use my DAF to fulfil a pledge?**

IRS guidelines generally prohibit DAF grants from fulfilling a legally binding pledge. However, DAF grants can support a gift intention or expression of interest. We encourage you to speak with your financial advisor to structure your gift appropriately.

### **Can I receive benefits for a DAF gift?**

DAF grants cannot be used to purchase goods or services, or to satisfy membership benefits that provide personal value in return. This includes purchasing tickets or tables to fundraising events. If you wish to receive benefits alongside your philanthropic gift, a separate direct donation is required for the portion covering those benefits.

### **Who can I contact for more information?**

We would love to speak with you about your philanthropic goals and how to gift through your Donor Advised Fund. Please contact Eddie Maffia, Director of Major Gifts by e-mail, phone, or take a look at our website below.
